

MINI MAGIC

The Mini Magic is a shorter version of the original Magic Model, ranging from 6'8" - 7'10". Designed for the surfer looking for a mid range size board, the Mini Magic works well at both point breaks and speedy beach breaks in all types of conditions and wave heights. The mini magic is a true mini shortboard, it is highly manoeuvrable like a short board yet it will work for a broad range of surfers due to its Longboard outline. The Mini Magic's has the stature of a shorter board combined with the volume of a Longboard allowing an easier ride in more conditions for more surfers. This board also has excellent nose riding capability. An all round fun board!

All boards are glassed with a 1 x 6oz + 4oz deck and 1 x 6oz bottom with a patch on the fin area. We give the boards the gloss polished finish and they come standard with 7" Walden Center fin and FCS Walden M Series Glassflex side fins.
